

**30            Therapy**

- 
- 30a            Instruments and appliances for diagnostic and surgical purposes including obstetrics, devices for professional aptitude tests, chiropodists' knives, inoculating implements, auxiliary appliances for surgical purposes**
- 30b            Dental surgery, artificial teeth, teeth cleaning, tooth picks, mouth-rinsing apparatus, appliances for tooth and mouth care**
- 30c            Veterinary instruments and appliances**
- 30d            Artificial limbs; splints, bandages, dressings, bands and poultices, eye and ear therapy, eye and ear protection**
- 30e            Transportation and bedding of patients, special health promoting bedding, bed pans, operating tables and chairs, including for dentistry, burial appliances**
- 30f            Therapeutic gymnastics; massage, bath and washing equipment for special therapy and for local treatment**
- 30g            Pharmaceutical containers, implements and machines, feeding bottles and feeding nipples**
- 30h            Manufacture of medicaments, except synthesis of chemically simple compounds; tooth treatment and preservation, chemical section; X-ray contrast materials, cosmetics, bacteriology, biology**
- 30i            Disinfection and sterilisation; dressing materials, surgical suture materials, means for ligating blood vessels, corpse preservation**
- 30k            Suction, pumping, irrigation, injection, spraying and vaporising devices for therapeutic, disinfective and hygienic purposes; inhaling, respiration, anaesthetic and soporific devices; probes, catheters, dilators, devices for the introduction of medicaments into body cavities**

- 
- 30a            Instruments and appliances for diagnostic and surgical purposes including obstetrics, devices for professional aptitude tests, chiropodists' knives, inoculating implements, auxiliary appliances for surgical purposes**

**Diagnosis, also in psychotechnology**

- 30a-1/01      Instruments for illuminating and examining body cavities and canals, especially cystoscopes, gastroscopes, urethroscopes, etc. (vaginoscopes 30a-2)
- 30a-1/02      with flexible tube
- 30a-1/03      with photographic devices (57a-7/03)
- 30a-1/04      Instruments for illuminating and examining the ear and nose
- 30a-1/05      Oral illumination apparatus, also with tongue depressors (30a-7/02), etc.
- 30a-1/06      Simple mouth mirrors, also with illuminating devices
- 30a-1/07      Laryngoscopes
- 30a-1/08      Devices for fastening medical illumination and examination devices to the head of the user, e.g. forehead lamps with or without mirror
- 30a-2/01      Vaginal specula in general
- 30a-2/02      Vaginal specula with devices for self- or co-examination

- 30a-2/03 Vaginal specula with devices for cooling or douching
- 30a-3 Devices for testing acuteness of vision, especially by means of test charts, colour blindness and accommodation (42h-32)
- 30a-4/01 Measuring and registering instruments for diagnostic purposes, general
- 30a-4/02 Measuring and registering instruments for pulse and blood pressure examination
- 30a-4/03 Electrocardiographs
- 30a-4/04 Ophthalmic tonometers
- 30a-4/05 Measuring and registering instruments for examination of the respiratory organs (respiratory devices for medical purposes 30k-13/01)
- 30a-4/06 Measuring and registering instruments for examination of the shape, size and movement of individual parts of the human body, apart from 30a-4/05
- 30a-4/07 Devices for examining the hearing ability (hearing aids 21a2-17; 30d-28)
- 30a-4/08 Blood counters and devices for drawing off blood (test tubes 30k-4/02; blood colour determination by optical systems 42h-18/01, 42h-18/02; blood analysis 42i-3/54; counting apparatus 42p-9/01)
- 30a-4/09 Devices for professional aptitude testing, general
- 30a-4/10 Devices for professional aptitude testing of drivers (instruction of student aircraft pilots 62c-27/03; means of instruction in transportation 42n-6/09)
- 30a-5/01 Auscultation instruments
- 30a-5/02 Stethoscopes, general (devices for listening to engine sounds 42g-1/03)
- 30a-5/03 Electric stethoscopes (devices for listening to engine sounds 42g-1/03)
- 30a-5/04 Instruments for percussion, also plessimeters
- 30a-6/01 Auxiliary implements for the application of X-rays for diagnostic and therapeutic purposes, when the mechanical arrangement is concerned (electrical arrangement 21g-17, 21g-19, 21g-20, 21g-28; roentgenocinematography 57a-56; roentgen stereophotography 57a-7/11; examination of materials by means of X-rays 42k-20/03, 42k-46/07)
- 30a-6/02 Support appliances for the patient in X-ray examination and therapy, general (operating tables and chairs 30e-14, 30e-15)
- 30a-6/03 Rotary tables for X-ray examination of patients
- 30a-6/04 Frames and stands for retaining X-ray tubes and accessories (X-ray tubes 21g-17; X-ray film magazines 57a-7/10; for stereoscopic pictures 57a-7/11; X-ray screens 57b-12/07)
- 30a-6/05 Compression devices for X-ray purposes
- 30a-6/06 Screens for eliminating dangerous X-ray radiation (screens for eliminating film clouding effects 57a-7/13, x-ray filters 21g-20/15)
- 30a-6/07 Protective devices against X-rays (protective covers and housings for X-ray tubes 21g-20/10; protective devices against rays of nuclear physical origin 21g-21/32)
- 30a-6/08 Devices for determining the position of foreign objects in human and animal bodies, also by means of X-rays, when the mechanical arrangement is concerned (electrical arrangement 21g-18, 21g-19; probes 30k-17/01; measuring of X-ray pictures 42c-10/04)
- 30a-6/09 Dental auxiliary appliances for X-ray examination (tooth film holders 30b-21/09)
- 30a-6/10 X-ray centring devices
- 30a-6/11 Drawing devices for X-ray purposes (viewing apparatus for X-ray pictures 42h-22/01)
- 30a-7/01 Instruments for opening and holding open the mouth (animal mouth openers 30c-3/01)
- 30a-7/02 Tongue depressors
- 30a-7/03 Tongue scrapers
- Surgery**
- 30a-8/01 Devices for maintaining wounds open
- 30a-8/02 Devices for sewing up wounds, apart from needles (suture materials 30i-8/02)
- 30a-8/03 Needles for sewing up wounds and needle-holders (injection needles 30k-3/03; puncture needles 30a-17/02; needles for bandages 30d-23/01; nerve needles 30b-6/02)

- 30a-8/04 Devices for storing suture materials
- 30a-8/05 Surgical clamps, also Murphy's buttons
- 30a-8/06 Devices for applying and removing surgical clamps
- 30a-8/07 Devices for ligating and joining blood vessels, ligature clamps (haemostatic means 30i-8/02)
- 30a-9/01 Bone saws (saws for cutting open bandages 30d-23/02)
- 30a-9/02 Osteoclasts, drill and chisels, trephines
- 30a-9/03 Devices for the treatment of broken bones (splints and extension bandages 30d-6)
- 30a-10 Instruments for inoculation and for cleaning the skin previous to inoculation
- 30a-11 Instruments for crushing and scraping (curettes) also bladder stone removers
- 30a-12/01 Surgical instruments for the oral cavity, larynx, trachea and nose
- 30a-12/02 Tonsillotomes, also for coagulation
- 30a-13/01 Electrically heated cauterising devices for surgical purposes (tonsillotomes 30a-12/02; diathermy 21g-23, 21g-24)
- 30a-13/02 Electrodes for electrically heated cauterising apparatus (diathermy electrodes 21g-23/02)
- 30a-13/03 Nonelectric cauterising apparatus for surgical purposes (burner implements for pyrography 75a-1)
- 30a-14/01 Instruments and appliances for obstetrics and gynaecology, general (curettes 30a-11; dilators 30k-18/01, 21g-18/02; vaginal specula 30a-2/01)
- 30a-14/02 Obstetrical forceps
- 30a-14/03 Embryotomes (for animals 30c-2/03)
- 30a-14/04 Midwife's kits
- 30a-15 Chiropodists' knives, scrapers and files (razors 69-21; nail files 33c-16/02)
- 30a-16/01 Surgical scissors
- 30a-16/02 Surgical forceps (obstetrical forceps 30a-14/02)
- 30a-16/03 Dressing forceps (for surgical clamps 30a-8/06)
- 30a-17/01 Surgical knives and cutting instruments
- 30a-17/02 Trocars and puncture needles
- 30a-18/01 Instruments for removing foreign objects from the human body, general
- 30a-18/02 Eye magnets
- 30a-19/01 Protective and sterilising covers and capsules for medical implements (injection syringes 30k-4/04; cases for medical thermometers 42i-1/11)
- 30a-19/02 Packing for medical instruments (cases for injection syringes and ampoules 30k-4/04; mid-wives' kits 30a-14/04)
- 30a-19/03 Surgical gloves (X-ray gloves 21g-20/10)
- 30a-19/04 Containers for absorbent cotton and used cotton (30d-23/01; 30b-21/01)
- 30a-19/05 Miscellaneous auxiliary appliances for surgical purposes

**30b Dental surgery, artificial teeth, teeth cleaning, tooth picks, mouth-rinsing apparatus, appliances for tooth and mouth care (toothbrushes 9b; veterinary dentistry 30c-4)**

**Dental surgery**

- Dental engines for drilling, cutting, etc. (with rinsing, cooling, etc. 30b-19, 30b-21/06)
  - 30b-1/01 with pedal or manual drive
  - 30b-1/02 with electric drive
  - 30b-1/03 with miscellaneous drive, e.g. by clockwork, air pressure, water power
  - 30b-1/04 Flexible shafts, couplings, etc.
- Handpieces and tool holders for dental engines and instruments (general 87d-3)
  - 30b-2/01 Straight handpieces

30b-2/02	Angular handpieces
30b-2/03	Miscellaneous tool holders
30b-2/04	Guards for straight and angular handpieces
30b-3/01	Tooth pluggers and hammers (30b-6)
30b-3/02	Tooth forceps, etc.
30b-4/01	Tooth drilling and cutting instruments
30b-4/02	Tooth drill assortment cases or stands
30b-5/01	Tooth grinding and polishing disks and their holders (moisteners for same 30b-19)
30b-5/02	Dental saws (tooth separating machines 30b-1; devices for same 30b-9)
	Filling and capping of teeth (30b-3; 30h-12)
30b-6/01	Devices for filling natural teeth (material composition of filling materials 30h-12)
30b-6/02	Devices for surgical treatment of tooth roots and nerves (means for chemical treatment 30h-12)
30b-6/03	Amalgam presses and mixers
30b-6/04	Dental crowns and their fastening in the mouth
30b-6/05	Processes and appliances for the making of dental crowns
30b-7/01	Tooth clamps and dam holders
30b-7/02	Lip protectors and mouth gags (30a-7)
30b-8/01	Dental forceps, etc. for tooth extraction
30b-8/02	Dental forceps for removing crowns
30b-9	Devices for straightening, evening and separating of teeth
	<b>Artificial teeth</b>
30b-10	Impression trays and model materials for dentures, also impression processes
30b-11	Articulators, articulation models
30b-12/01	Plates and processes for their manufacture, general
30b-12/02	Galvanoplastic manufacture of plates and the plating and treatment of the surface; enamelling, scenting, rendering antiseptic
30b-12/03	Manufacture of plates by casting (30b-16/01, 30b-17)
30b-12/04	Hammer presses and dies for plates (30b-16/03)
30b-13/01	Artificial dentures, bridges and their fastening in the mouth, general
30b-13/02	Fastening of artificial dentures and bridges in the mouth by suction
30b-13/03	Plateless dentures
30b-13/04	Spring dentures
30b-14/01	Artificial teeth and their fastening to plates, etc.
30b-14/02	Artificial teeth and their manufacture
30b-14/03	Tools, apart from presses and dies, for fastening artificial teeth to plates, etc. , also holders, clamps, stands for artificial teeth
30b-15	Fastenings for pivot teeth in the mouth (30b-6/04)
30b-16/01	Vulcanising devices for artificial teeth (30b-17; 39a-11)
30b-16/02	Flasks and flask holders
30b-16/03	Flask presses
30b-17	Soldering, casting and melting apparatus (30b-16/01; 31c-12/01; 31c-12/02)
	<b>Tooth cleaning and mouth-rinsing devices (toothbrushes 9b)</b>
30b-18	Toothpicks and tooth-gap cleaners
	Instruments and machines for scouring, rinsing and drying, etc. of teeth and dentinal tubules (30b-1; 30b-5)
30b-19/01	without rinsing
30b-19/02	with rinsing
30b-20	Spittoons and saliva ejectors for dentists (30g-14)

**Auxiliary implements for dentistry**

- 30b-21/01 Work stands and accessories, instrument cases, bags, etc.
- 30b-21/02 Measuring instruments
- 30b-21/03 Teaching devices, models (anatomical models and teaching devices 42n-10)
- 30b-21/04 Cleaning and heating of the instruments
- 30b-21/05 Miscellaneous dental equipment, fingerstalls (30a)
- 30b-21/06 Anaesthetic and therapeutic equipment (30k-14; 30k-15)
- 30b-21/07 Illuminating devices, lamps, etc.
- 30b-21/08 Dental mirrors
- 30b-21/09 Film holders for dental X-ray photographs (30a-6; 21g)

**30c****Veterinary instruments and appliances**

- 30c-1/01 Surgical instruments for veterinary use, general
- 30c-1/02 Trocars and nipple cannulas, also inoculation apparatus (milking catheters 45g-2, 45g-3/00)
- 30c-1/03 Tail and ear clippers
- 30c-1/04 Castration instruments
- 30c-2/01 Labour indicators
- 30c-2/02 Veterinary obstetrical equipment
- 30c-2/03 Embryotomes for animals (for humans 30a-14/03)
- 30c-3/01 Mouth openers (devices against hiccups 45h-9, 45h-13/00)
- 30c-3/02 Instruments for removing foreign objects from the throat of animals (for humans 30a-18/01)
- 30c-3/03 Devices for the degassing of animal stomachs
- 30c-4 Instruments for tooth treatment of animals (for humans 30b-1/01 – 30b-9)
- 30c-5 Appliances for supporting and fettering animals during surgery (training of animals 45h-10, 45h-15/00, 66a-4/01)
- 30c-6/01 Devices for introducing solid, liquid, or gaseous remedies into animal bodies (for humans 30k-19/01)
- 30c-6/02 Devices for animals for inhalation and anaesthesia by the breathing-in of gases or vapours (for humans 30k-12/01, 30k-14/01)
- 30c-7/01 Bandages and poultices for animals (anti-chafing rings 45h-9, 45h-13/00)
- 30c-7/02 Washing devices, also therapeutic gas baths
- 30c-7/03 Prolapse harnesses
- 30c-7/04 Veterinary thermometer retainers

**30d****Artificial limbs; splints, bandages, dressings, bands and poultices, eye and ear therapy, eye and ear protection**

**Artificial limbs and accessories** (anatomical models, orthopaedics, teaching devices 42n-10)

- 30d-1/01 Artificial limbs in general, also hollow pins for muscle insertion
- 30d-1/02 Artificial limb sockets and processes for their manufactures
- 30d-1/03 Joints in artificial limbs
- 30d-2 Artificial arms and hands
- 30d-3/01 Artificial legs and feet, general
- 30d-3/02 Wooden legs
- 30d-3/03 Leg extensions
- 30d-3/04 Artificial legs with air pads
- 30d-3/05 Bandages for artificial legs

**Orthopaedic splints**

- 30d-4 Orthopaedic supports (70d, 810)

- Shoe inserts for the treatment of flat feet, club feet, etc.
- 30d-5/01 without air pads and bandages
- 30d-5/02 with air pads
- 30d-5/03 with bandages
- 30d-5/04 Devices for making arch supports
- 30d-5/05 Devices for the treatment of crooked noses, finger formers (30d-22) and remedial apparatus for stutterers (30d-20/01)
- 30d-6 Extension bandages and devices (30d-4; 30e-8)
- Bandages and bands for the treatment of invalids**
- 30d-7 Trusses with belt springs
- 30d-8 Trusses without springs or without resilient pads, also umbilical hernia trusses
- 30d-9 Pressure pads in general
- 30d-10 Pressure pads, adjustable
- 30d-11 Pressure pads containing air or liquid, valves for air pressure pads (30e-11)
- 30d-12 Supports for hernia bandages
- 30d-13 Body belts for the use of invalids (3a-14; 3a2), Abie's supports with or without pads, breast holders (3a-14; 3a2)
- 30d-14 Catamenial bandages and their manufacture
- 30d-15 Suspensories, member inclosing devices, etc.
- 30d-16 Urinals (30e-12)
- 30d-17 Pessaries and devices for their introduction, protective devices against infection
- 30d-18 Devices to prevent bed wetting and pollution
- 30d-19 Elastic stockings (3a-10; 3a1-11/00; 8k-3; 25a-18; 39a-10; 39a6-9/00; 52a-9)
- 30d-20/01 Respirators as air filtering devices against dust, smoke, pollen, etc. under ordinary conditions (respirators for professional use 61a-29, 30k-12)
- 30d-20/02 Devices to prevent snoring
- Dressings (bandage materials 30i-8)**
- 30d-21 Dressings in general, also plaster of Paris bandages, etc.; radioactive bandages (21g-21/10; adhesive plaster bandages 30h-9/05)
- 30d-22 Therapeutic dressings for special purposes: for aneurysms, corn rings, wound protectors, fingerstalls (30d-5)
- 30d-23/01 Auxiliary appliances for bandages, plaster containers, holders for dressings
- 30d-23/02 Bandage scissors, bandage saws (69-1 – 69-9)
- 30d-24 Therapeutic poultices
- Heating and cooling devices for the therapeutic treatment of the human body (electrical heating 21h-2/03, 21h-10/08)**
- 30d-25/01 Hot-water bottles, thermophoric compresses (heating materials 24n-2)
- 30d-25/02 Hand and foot warmers, heated footstools and mats (3b-20, 3b-5/00, 3b-19/00)
- 30d-25/03 Bed warmers (30e-8)
- 30d-25/04 Ice bags
- 30d-26 Eye treatment, also artificial eyes, exercising apparatus for correction of strabismus
- 30d-27/01 Protective goggles (42h-31; 61a-29)
- 30d-27/02 Protective masks, also for welders
- 30d-28 Treatment of the ears, ear trumpets, artificial eardrums (21a2-17; cleaners for the outer ear 33c-29)
- 30d-29 Sound dampers as ear protectors, anti-noise devices

**30e      Transportation and bedding of patients, special health promoting bedding, bed pans, operating tables and chairs, including for dentistry, burial appliances****Transportation of patients**

- 30e-1      Stretchers for the transportation of patients
- 30e-2      Wheeled stretchers for the transportation of patients (63h-12)
- 30e-3      Ambulances (30e-9), ambulances equipped for therapy (vehicle structure 63a, 63b, 63c)
- 30e-4      Invalid chairs, not self- or motor-operated (63c; 63k-9; 30e-15; chairs designed for the relief of the bodily functions 30e-6)

**Bedding**

- 30e-5      Invalid beds, operating beds (30e-7; 30e-8; bedsteads 34g-11; furniture rollers 34i-23)
- 30e-6      Invalid beds and chairs with facilities for the relief of the bodily functions
- 30e-7      Bed fittings: mattresses for the sick, mats for beds, etc. (34g-17; 34g-18); bed fittings with devices for facilitating and observing sleep, and for special sanitary purposes (34f- 9; heating pads 30d-25)
- 30e-8      Auxiliary devices to be attached to beds, e.g. body supports, spittoons, etc. (tables 34i-3); beds with heating devices (30d-25); beds with special devices for facilitating and observing sleep and for special sanitary purposes (30k-13)
- 30e-9      Transporting apparatus for invalid beds (30e-3; 34i-25)
- 30e-10     Invalid lifting apparatus
- 30e-11     Air cushions (30d-11; 39a-10; 39a6)
- 30e-12     Bedpans
- 30e-13     Baby incubators, warming tubs, couveuses (for bacteria cultures 30h-14; general 42i-12; poultry incubators 45h-15, 45h-41/00 – 45h-41/06)

**Operating tables and chairs, including dental chairs**

- 30e-14     Operating tables, auxiliary devices for same (instrument containers 30a-14/04, 30a-19/02; 30b-21/01; operating table illumination 4b-24; supporting appliances for the patient for X-ray examination and therapy 30a-6/02, 30a-6/03)
- 30e-15     Operating chairs, inclusive of dental chairs (barbers' chairs 34g-1), head supports, protecting sheets, etc. on head supports (30e-4)

**Burial appliances (embalming, etc. 30 i-9)**

- 30e-16     Coffins
- 30e-17     Coffin closures and seals
- 30e-18     Hoisting and lowering devices for coffins
- 30e-19     Columbaria, halls for burial urns

**30f      Therapeutic gymnastics (indoor gymnastic apparatus 77a); massage, bath and washing equipment for special therapy and for local treatment****Therapeutic gymnastics**

- 30f-1      Apparatus for active therapeutic gymnastics (indoor apparatus 77a)
- 30f-2      Apparatus for passive therapeutic gymnastics, also vibrators (30f-3)
- 30f-3      Extension and bending apparatus for therapeutic gymnastics (extension bandages 30d-6)
- 30f-4      Devices for facilitating walking of patients, also crutches and tap sticks for the blind (77a-9, 77a-23/04, 77a-23/06; children's walkers 34h-1/12)

**Massage**

- 30f-6/01    Kneading and rubbing massage, also implements for rubbing the skin and for suction-kneading massage (30f-8)
- 30f-6/02    Pneumatic and hydraulic massage

- 30f-6/03 Massage belts, bands, brushes and combs
- 30f-6/04 Kneading and rubbing massage with medicaments
- 30f-6/05 Massage of the gums
- 30f-6/06 Massage by means of balls and chains
- 30f-6/07 Roller-chain massage machines
- 30f-6/08 Massage for the genitals, also for body cavities
- 30f-6/09 Massage rollers
- 30f-6/10 Massage rollers with light, heat and medicaments (30f-8)
- 30f-7/01 Percussion and concussion massage (vibration massage), also suction-concussion massage (30f-8)
- 30f-7/02 Electric hammer drive
- 30f-7/03 Hydraulic and pneumatic drive
- 30f-7/04 Inflatable balls, diaphragms
- 30f-7/05 Massage devices with reciprocating bands
- 30f-7/06 Hand percussors
- 30f-8/01 Massage with simultaneous application of electricity
- 30f-8/02 Massage rollers with electricity
- Bathing and washing equipment, also locally, for special curative purposes (34k-1 – 34k-5)
- 30f-9/01 Bathing devices for gas-containing liquids (21g-21/12), e.g. so-called carbon dioxide baths (30h-11/01 – 30h-11/03)
- 30f-9/02 Equipment for sand, mud and foam baths
- 30f-10/01 Artificial hot and cold air baths, vapour and gas baths or douches 21g-26; 30b-19; pneumatic chambers 30k-13/03)
- 30f-10/02 Air douches (blowers) for curative purposes (electric heating 21h; 33c-6/11, 33c-6/17)
- 30f-10/03 Bathtubs as steam baths
- 30f-10/04 Facial steam baths
- 30f-10/05 Devices for gas baths with ozone, oxygen, etc. (ozone and oxygen producers 12i-12 – 12i-15, 12i-13/00)
- 30f-11/01 Bathing and washing equipment for special curative purposes and for local treatment (21g-25; 30k-6; 30k-7; 34k-1 – 34k-6)
- 30f-11/02 Partial baths
- 30f-11/03 Accessories for therapeutic massage and bathing equipment (bidets as washing equipment 34k-5/15; folding wash stands 34k-1/01)

## **30g Pharmaceutical containers, implements and machines, feeding bottles and feeding nipples**

### **Pharmaceutical container**

- 30g-1 Dropper devices for pharmaceutical purposes, e.g. dropper glasses and stoppers (closures for drop or repeated dispensing of liquids in general 64a-52)
- 30g-2 Measuring containers for pharmaceutical purposes, especially graduated flasks and stoppers (30g-8; 64c-43)
- 30g-3 Bottles and bottle closures for pharmaceutical purposes (30g-1; 30g-2; 30g-4; 30k-8/02; 64a)
- 30g-4 Poison containers, poison and other cabinets for pharmacies
- 30g-6/01 Capsules and bags for pharmaceutical purposes (30h-9/03; 54b-4/01)
- 30g-6/02 Other pharmaceutical containers (30g-1 – 30g-4; 30k-4/02; 30k-8/02; 64a; 81c-15); also containers for radioactive substances (21g-21/10)
- Dispensing and filling devices for pharmaceutical purposes (81a-1; 81a-5/01)**
- 30g-6/03 Devices for dispensing a specific quantity of powder or number of pills, etc. (42p-5/01; 42p-10/10)
- 30g-6/04 Devices for filling and closing capsules and bags

- 30g-6/05 Devices for filling ampoules
- Machines for the manufacture of moulded pharmaceutical products, etc. (58b-13)**
- 30g-7/01 of pills
- 30g-7/02 of suppositories
- 30g-7/03 of tablets
- 30g-7/04 of plasters and salves, etc.
- 30g-8 Devices for administering medicines, e.g. medicine spoons (30g-2; 30c-6/01)
- Nursing bottles, pacifiers, etc.**
- 30g-9 Nursing bottles in general
- 30g-10 Nursing bottles with thermometers, heating and protective covers for nursing bottles
- 30g-11 Nursing bottles with air supply
- 30g-12 Holders for nursing bottles
- 30g-13/01 Nipples
- 30g-13/02 Nipples with air supply
- 30g-13/03 Fastening of the nipple on the bottle
- 30g-13/04 Breast nipple covers (milk pumps 30k-2/01)
- 30g-13/05 Drinking tubes, etc. for curative purposes
- 30g-13/06 Pacifiers, teething rings, etc.
- 30g-14 Sputum flasks (34f-10/01; 34f-10/02)
- 30h Manufacture of medicaments, except synthesis of chemically simple compounds; tooth treatment and preservation, chemical section; X-ray contrast materials, cosmetics, bacteriology, biology**
- 30h-1 The manufacture of medicaments by treating material mixtures with rays, waves or electrical energy (12m-9; 12o-25)
- 30h-2/01 Radioactive medicaments (12m, 9)
- 30h-2/02 Medicaments from mainly inorganic substances
- 30h-2/03 Medicinal preparations from plants, plant elements and their substances, their manufacture and stabilisation (vitamins 30h-2/20; alkaloids 12p-11 – 12p-14; glycosides 12o-26/01; enzymes and yeast preparations 6a-22)
- 30h-2/04 Medicinal preparations from animals, animal organs, body fluids, etc. also for diagnostic purposes, their manufacture, enrichment and stabilisation (hormones 30h-2/10; antitoxic serums, vaccines, bacterial preparations 30h-6; enzymes 6a-22)
- 30h-2/10 Hormones and hormone preparations from natural substances, their extraction, enrichment and stabilisation, medicinal preparations from synthetic hormones (manufacture of synthetic hormones and derivatives 12o-25; see also 30h-2/04)
- 30h-2/20 Vitamins and vitamin preparations from natural substances, their extraction, enrichment and stabilisation, medicinal preparations from synthetic vitamins (see also 30h-2/03; manufacture of synthetic vitamins 12o-21; 12p-1/01; 12p-4; 12p-10; yeast preparations 6a-22/06)
- 30h-2/30 Stable medicinal solutions of decomposable substances, supersaturated medicinal solutions, medicinal solutions containing dissolving intermediaries
- 30h-2/35 Manufacture of medicinal fumigants and inhalants
- 30h-2/36 Other medicinal preparations of the Galenic art, anaesthetics, and dietetic foods
- 30h-6 Antitoxic serums, vaccines, bacterial preparations
- 30h-7/00 Antibiotics produced by microbiological processes; manufacture thereof
- Basic forms of medicaments**
- 30h-9/02 Pills, pastilles, tablets, etc., also with protective layers (devices for manufacture 30g-7)
- 30h-9/03 Medicine capsules, e.g. of gelatine, chocolate (devices for manufacture 30g-6)
- 30h-9/04 Salves and salve bases (devices for manufacture 30g-7/04)

- 30h-9/05 Plasters, plaster dressing, adhesive plasters and plaster substances (30d-21; devices for manufacture 30g-7/04)
- 30h-9/06 Suppositories (30g-7/02; 30k-19/01), rod-shaped masses, etc. (devices for manufacture 30g-7/02) as well as basic materials therefor
- 30h-9/08 Bases for shaped medicaments, general, when not classified in groups 30h-9/02 – 30h-9/06
- 30h-10 X-ray contrast media

### **Bath preparations and the making of baths (devices 30f-9)**

- 30h-11/01 Carbon dioxide baths
- 30h-11/02 Oxygen baths
- 30h-11/03 Other baths

### **Means for the treatment and preservation of natural teeth in the jaw (devices for dental purposes 30b)**

- 30h-12/01 Tooth filling materials of metals, metal alloys and amalgams (manufacture of alloys for the preparation of dental amalgams 40b-5, 40b-7/00)
- 30h-12/02 Other tooth and root filling materials

### **Cosmetics**

- 30h-13/01 Skin care materials, such as creams, powders, massage materials
- 30h-13/02 Soap-free skin cleaning agents, including dry washing materials (soaps and soap washing materials 23e)
- 30h-13/02 Dry washing materials (soaps and soap washing materials 23e)
- 30h-13/03 Make-up, make-up removers, luminescent pastes
- 30h-13/04 Nail care and nail polish materials
- 30h-13/05 Hair care materials, such as hair lotions and powders; hair restorers
- 30h-13/06 Hair shampoos and rinses
- 30h-13/07 Hair wavers and fixatives
- 30h-13/08 Dyeing and bleaching substances for live hair (for dead hair 8m-1/03, 8m-8/02)
- 30h-13/09 Depilatories and shaving materials
- 30h-13/10 Tooth and mouth cleaners, such as tooth pastes and powders, mouth-washes
- 30h-13/11 Chewing gum
- 30h-14 Auxiliary means for the bacteriologist and biologist, such as culture media, also for tissue cultures, culture vessels and incubators for the culture of bacteria and tissues (respiration measurements for metabolism tests 30a-4/05)

## **30i Disinfection and sterilisation (6d; 53c; 53e; 53k; 85a; 85h; 30h; 45l), dressing materials, surgical suture materials, means for ligating blood vessels, corpse preservation**

### **Disinfection and sterilisation**

- 30i-1 Processes for disinfection and sterilisation in general (inhalation of internal disinfection materials 30h-2/35; sterilisation of milk and other foodstuffs 53c, 53e, 53k; of beer, wine 6d-1, 6d-2)
- 30i-2 Apparatus for disinfection and sterilisation in general, e.g. steam or hot air sterilisers (for dressing materials 30i-8/01), disinfecting apparatus for garments and laundry, containers with disinfecting inserts and fillers (30i-4; 30i-6; 30i-8; telephones with means against infection 21a2-15/06 – 21a2-15/08; disinfecting devices for flush toilets 85h-17; washing devices 34k; sprayers for disinfectants and so-called smoke absorbers 30k, 45k-4, 45k-7/00 – 45k-11/00), accessory parts for disinfecting and sterilising apparatus (valves 13c-24 – 13c-30; 47g; closures 68a, 68b; recording devices 42d; lifting devices 30e)
- 30i-3 Means for disinfection and preservation in general (30i-4 – 30i-6; 30i-8; 30i-9; 23c-2; antiseptic medicaments 30h-2; preservation agents 53c, 53e, 53k; germicides also 38h; 45l)
- 30i-4 Disinfection by means of formaldehyde, also apparatus

- 30i-5/01 Processes and devices for air purification in general (ozone production 12i-15; air purification in respirators 61a-29/20, 61a-29/21, 61a-29/30; 61b-1/02)
- 30i-6 Disinfection in the barbers' trade, also apparatus (disinfecting barbers' appliances 33c-14/15)
- 30i-7 Processes and means for the binding of dust; disinfection of refuse
- 30i-8/01 Dressing materials, their disinfection and sterilisation, also apparatus (dressings 30d)
- 30i-8/02 Surgical suture materials and means for ligating blood vessels (devices 30a-8; substances of animals' skins, flesh or leather wastes without specific binders, general 39b-26/01)
- 30i-9 Preservation of corpses
- 30i-10 Chemical means for the protection of live human or animal bodies against external influences, such as sunburn or frostbite, X-rays or other active rays, polluting liquids or solid substances, bacteria, insect bites, etc., when the means are brought into direct contact with the living body (21g-21/32; 30i-3, 30h-9, 30h-13; 45l-3; 45l-9/00 – 45l-15/00; 78d; chemical means against warfare or poisonous substances 61b-1/01, 61b-1/03)
- 30i-20/00 Protection of the environment, not otherwise provided for; Detecting dangerous or harmful influences on the environment (magnetic or electrostatic separation 1b; safety devices for mining 5d; rendering combustion engine exhaust innocuous 14k-3/08 – 14k-3/16; radiation protection 21g4; purification of flue gases 24g-6/01 – 24g-6/90; recirculation of flue gases in coal powder furnaces 24l-10; purification of distillation gases obtained from combustible materials 26d, methods and devices for cleaning air in general 30i-5/01; methods and agents for binding of dust and, disinfection of refuse 30i-7; chemical means for the protection of live human or animal bodies against external influences 30i-10; sound dampening 42g-1/10; mechanical treatment of agricultural soil 45a-77/00; methods of working soil 45a-79/00; sterilising soil with steam 45f-11/00; protection of plants 45f-13/00; destruction of noxious animals and unwanted vegetation 45k; chemical soil treatment, pesticides 45l; devices for improving the combustion in engines 46; breathing protection 61a-29; gathering pollution on open water 65a-35/32; cleaning or keeping clear the surface of open water 84a-15/00; water cleaning 85b; waste water cleaning 85c; canal building 85e; avoiding pollution of drinking water pipes 85h-11)
- 30k Suction, pumping, irrigation, injection, spraying and vaporising devices for therapeutic, disinfective and hygienic purposes; inhaling, respiration, anaesthetic and soporific devices; probes, catheters, dilators, devices for the introduction of medicaments into body cavities**
- Suction and pumping apparatus for medical purposes**
- 30k-1/01 General (saliva ejectors 30b-20)
- 30k-1/02 Blood transfusion implements
- 30k-1/03 Devices for producing artificial pneumothorax
- 30k-2/01 Breast pumps (nursing bottles 30g-9 – 30g-11)
- 30k-2/02 Cupping glasses
- Injection and irrigation devices for curative and hygienic purposes**
- 30k-3/01 Injection syringes (syringes for the denicotinisation of tobacco 44b-31)
- 30k-3/02 Injection syringes with special liquid containers
- 30k-3/03 Injection needles (surgical suturing needles, 30a-8/03; puncture needles 30a-17/02)
- 30k-3/04 Holders for injection needles
- 30k-3/05 Pistons and piston seals for injection syringes
- 30k-4/01 Other medical syringes, e.g. enema syringes
- 30k-4/02 Ampoules and double ampoules for injection liquids (for volatile liquids 30k-8/02; for suture materials 30a-8/04; processes of manufacture 32a-27, 32a-23/00)
- 30k-4/03 Ampoule openers for medical purposes (breaking off and cutting of glass articles 32a-33)

- 30k-4/04 Miscellaneous accessories for medical syringes
- 30k-5/01 Irrigators
- 30k-5/02 Uterine tubes
- 30k-5/03 Underwater enema devices
- 30k-6 Bidets with spraying devices (simple bidets 34k-5/15)
- 30k-7/01 Douches and irrigation devices for curative and hygienic purposes
- 30k-7/02 Syringes for gynaecologic purposes

### **Atomisers, inhalation and respiration apparatus for curative purposes**

- 30k-8/01 Atomiser flasks for perfume, medicines and disinfectants
- 30k-8/02 Atomisers and container closures for volatile liquids
- 30k-9/01 Atomisers with compressed air for perfume, medicines and disinfectants (air moistening 36d-1/10 – 36d-1/13; paint sprayers 75c-22/01)
- 30k-9/02 Atomisers for perfume and disinfectants, door-actuated
- 30k-9/03 Pocket atomisers in box form
- 30k-10 Steam atomisers for perfume, medicines and disinfectants, with rotating nozzles
- 30k-11 Powder dispersing devices for medicinal and disinfecting purposes (for animal and plant extermination 45k-4/01 – 45k-4/40, 45k-7/00 – 45k-11/00)
- 30k-12/01 Inhalation devices (perfume bottles 33c-25/02)
- 30k-12/02 Devices for inhalation in an enclosed space
- 30k-12/03 Inhaling devices in cigar, cigarette or pipe form
- 30k-12/04 Inhaling devices portable in the nose
- 30k-12/05 Smoke absorbers (respirators 30d-20/01)
- 30k-12/10 Inhaling devices with activated or ionised gases, ozone inhalers (21g-21/12; manufacture of ozone 12i-15, 12i-13/00; ozonising of air 30i-5/01; ozone for gas baths 30f-10/05)
- 30k-13/01 Respiratory devices for curative purposes (measurement and recording of the respiratory organs 30a-4/05; to protect from dangerous gases 61a-29)
- 30k-13/02 Devices for breathing fresh air
- 30k-13/03 Pneumatic chambers
- 30k-13/04 Resuscitation appliances

### **Devices for narcosis, anaesthesia and soporification**

- 30k-14/01 Anaesthesia appliances (electrical anaesthesia 21g-24/01)
- 30k-14/02 Anaesthesia masks (gasmasks 61a-29/10)
- 30k-15 Devices for producing local insensibility - local anaesthesia - (injection appliances for volatile liquids 30k-8/02)
- 30k-16 Apparatus for soporification by mechanical, optical or acoustic means

### **Probes, catheters, dilators, etc.**

- 30k-17/01 Probes
- 30k-17/02 Catheters
- 30k-17/03 Holding devices for catheters
- 30k-17/04 Devices for draining wounds, etc.
- 30k-18/01 Dilators with and without introduction of medicines
- 30k-18/02 Laminaria tents
- 30k-19/01 Devices for the introduction of medicines into body cavities (suppositories 30g-7/02; 30h-9/06)
- 30k-19/02 Devices for the retention of medicines in body cavities
- 30k-19/03 Devices for the application of medicines to the human body (atomisers for medicines 30k-9/01, 30k-10)
