Place and date	
Signature	Clarification of signature

1. Application has previously been sent by e-mail or fax

If you have sent your design application by fax or e-mail, it is considered to be filed on the day the fax or e-mail reached the PRV. However, you must also file the application with your signature in original writing. When you do so, state the date you sent your application by fax or e-mail.

2. Applicant

State your name or the company's name, address and phone number. If there are multiple applicants, you must state everyone's name and addresses. Please use an appendix. Companies should state their registration number, but individuals should not state their personal identity number.

3. Representative

If you have appointed an agent to represent you before the PRV, state the representative's name, address and phone number. You also need to attach a power of attorney in original writing. The power of attorney should be dated and signed by the applicant.

4. Designer

State the name and address of the designer. If there are multiple designers please tick the box, and use an appendix to specify the additional designers.

Only individuals, not companies, can be a designer.

If the design is created by someone other than the applicant, the applicant shall prove his right to the design by a transfer agreement, where the designer/-s transfers the design to the applicant or the applicant company. The form is available on www.prv.se

5. Product the design concerns

State the product or products that the design is intended to be used on or incorporated in (for example, a chair, a jacket, a spoon.) The statement must carefully match what the picture shows.

6. Class/classes to which the design and product belongs

Enter the class that the design should be placed in. For the classification used Locarno Agreement class list. Class List available on www.prv.se/en/Designs/Applying-for-design-protection/Indication-of-product-and-class/

7. Request for priority

If you want to claim priority from an earlier design application regarding the same design, filed in another country, you should state the application number and filing date of the priority application as well as the Patent Office where it was filed. The priority claim has to be made in conjunction with the application to PRV. Priority cannot be referred to later in the proceedings.

Priority means that your new design application is considered to be filed on the same day as your earlier application.

8. Should image/model be kept secret?

Documents showing the design (images, models, drawings or sketches) can at the applicant's request be kept secret until 6 months from the filing date or, if priority is claimed, from the priority date. Read more about the secret time of www.prv.se

9. Appendices

Image

With an image means a photograph or a drawing, which clearly shows the design. The image must not exceed A4 size (21 x 29.7 cm). If not the whole design is clearly shown by the picture, images from several directions should be submitted. Picture should just show the design applied for. In the case multiple designs, each design should be displayed separately. Observe the provisions of the Swedish Design Law § 13 under which the design is not considered filed until the applicant has submitted an image or a model showing the design.

Transfer agreement

See above under paragraph 4, Designer.

Model

If a model is submitted at the PRV, an additional storage fee must be paid for each 5 year period. More information on www.prv.se

Power of attorney

See above under paragraph 3, Representative.

Other

If additional documents is attached, it should be stated here.

10. Fees

Calculate and specify the fees you have paid.

11. Method of payment

Tick method of payment.

Pay to Bank Giro 5052-6797 or via deposit account.

Please note that we will not start the handling process before payment of the application fee has been registered.

The fee covers the PRV handling process and is not refundable if the application would not lead to registration.

Enter the following with your payment:

1. That the payment relates to a design application.
2. Applicant's name, address and postal address.

12. Signature

Sign your application and clarify the signature. This must be done by the applicant or the representative.
