

69 Cutting tools, including slashing and thrusting weapons, scissors

69 Cutting tools, including slashing and thrusting weapons, scissors (production methods 7c-41, 49i)

- 69-1 Scissors in general (3d-5; 3d-7/00; 8f-8 – 8f-12; 11b; 45f-4; 45f-3/02 – 45f-3/06; 49c)
- 69-2 Scissors in general, without handle holes
- 69-3 Buttonhole scissors
- 69-4 Pocket scissors, nail scissors (protection against theft and loss 33d-13/14)
- 69-5 Sheep shears (69-10 – 69-12)
- 69-6 Scissor fastenings, pressure control
- 69-7 Coupon scissors, scissors for angle, strip, zigzag, or pattern cutting
- 69-8 Scissors combined with knives, needle containers, tape measures, wire cutters, corkscrews, etc.
- 69-9 Miscellaneous scissor-like devices

Shearing devices and machines

- 69-10 Shearing devices, hand operated
- 69-11 Shearing devices with power drive in general, also operated by human power, except by hand (69-10) or by animals
- 69-12 Shearing devices directly driven by built-in motors
- 69-12/01 Shearing devices directly driven by built-in motors
- 69-12/02 Dry shavers

Pocket knives, table knives, etc.

- 69-13 Pocket knives in general (protection against theft and loss 33d-13/14)
- 69-14 Pocket knives with freely mounted springs
- 69-15 Pocket knives with corkscrew, cigar cutters, scissors, wire cutters, files, pencils, spoons or other devices (87c)
- 69-16 Pocket knife cases, knife sheaths
- 69-17 Pocket knives of various kinds
- 69-18 Table knives, connection between handle and hinge, also for forks (33d-8/02; 34f-12/01; 34f-12/02; 34f-13; handles 39a-19, 39a3)
- 69-19 Miscellaneous knives

Razors

- 69-20/01 Razors
- 69-20/02 Safety razor blades: razor blade parallel to handle (69-21)
- 69-20/03 Combs with attached razor for haircutting
- 69-21/01 Single-edge razors: blade perpendicular to handle
- 69-21/02 Double-edge razors: blade perpendicular to handle
- 69-21/03 Other razors (69-20; 33c-12 – 33c-14; 67c-5), and razors with driven blades

Slashing or thrusting tools (69-27; 69-28)

- 69-22 Hatchets and axes (shaft fastenings 87d-1)
- 69-23 Spades for military purposes, folding spades, spades combined with saws, picks, hatchets, etc. (spade shaft fastenings 87d-1; production of spades 7c-41; 7f-3; spades for agricultural and gardening purposes 45a-4, 45a-1/02, 45a-1/04; rifle spades 72a-4, 72g-2/04)

Other cutting tools for general purposes

- 69-24 Cutting tools with circular blades
- 69-25 Cutting tools in general

Slashing and trusting weapons

69-27 Sabres, swords and scabbards (combined with firearms 72a-32)

69-28 Lances and bayonets (combined with firearms 72a-32)

Household cutting implements

69-51 Household cutting implements for sausage, meat, bacon, etc. (sliding and other cutting machines 66b)

Cutting machines for bread, cakes and pies; cutting and spreading machines for bread (layer-cutting machines for pies 53l-14; cutting machine for noodles 2b-13/01, 2b-13/02; for zwieback 2b-15)

69-52/01 Hand knives

69-52/02 Cutting boards with guides for hand knives

69-52/03 Bread slicers

69-52/10 Bread-cutting machines

69-52/20 Cutting devices combined with bread containers

69-52/30 Bread halving devices

69-52/40 Devices for cutting and dividing of cakes and pies (layer-cutting machines for pies 53l-14)

69-52/50 Holding devices for the material to be cut

69-52/60 Machines for cutting, spreading and covering of bread and bread slices

Cutting machines and utensils for vegetables and fruit (45e-35 – 45e-38)

69-53/01 Hand implements

69-53/05 Slicers

69-53/10 Cutting machines with single knives

69-53/20 Cutting machines with several knives inside cutting disks and cylinders

69-53/30 Cutting machines with circular knives

69-53/40 Cutting machines with intersecting knives

69-53/50 Cutting machines for multiple comminution

69-53/60 Bean cutters (34b-7/06)

69-53/70 Radish cutters

69-53/80 Onion cutters

Cutting machines and implements for cheese (45g)

69-54/01 Hand implements

69-54/10 Cutting machines with wires

69-54/20 Cutting machines with knives

69-54/30 Cutting machines with dividing devices (69-52/40)

69-55 Cutting machines and implements for ice, sugar, etc. (17b-4/02)

69-56/01 Cutting machines and implements for various foodstuffs

69-56/10 Household cutting and dividing machines for butter (45g-25/01; 45g-25/06; 45g-21/00 – 45g-23/00)
