In the row for ready assignment there are a zip file and a PDF icon. The zip file contains a pdf file and a folder with patent documents. The zip file may also contain a word file and/or an excel file depending on what choices you made when you ordered the report.

The PDF icon indicates that there is an invoice.

Save the report in a appropriate place on your computer – see **help text**.

When the report is retrieved you will be asked if you would like to open the folder.

Select Open, mark the files and click on Extract or equivalent.

The files are now on the computer and ready to be used.
