The search result can be downloaded until: **2013-08-12**

Download and save the search result (zip-file):

[Download report](#)

Downloading completed.

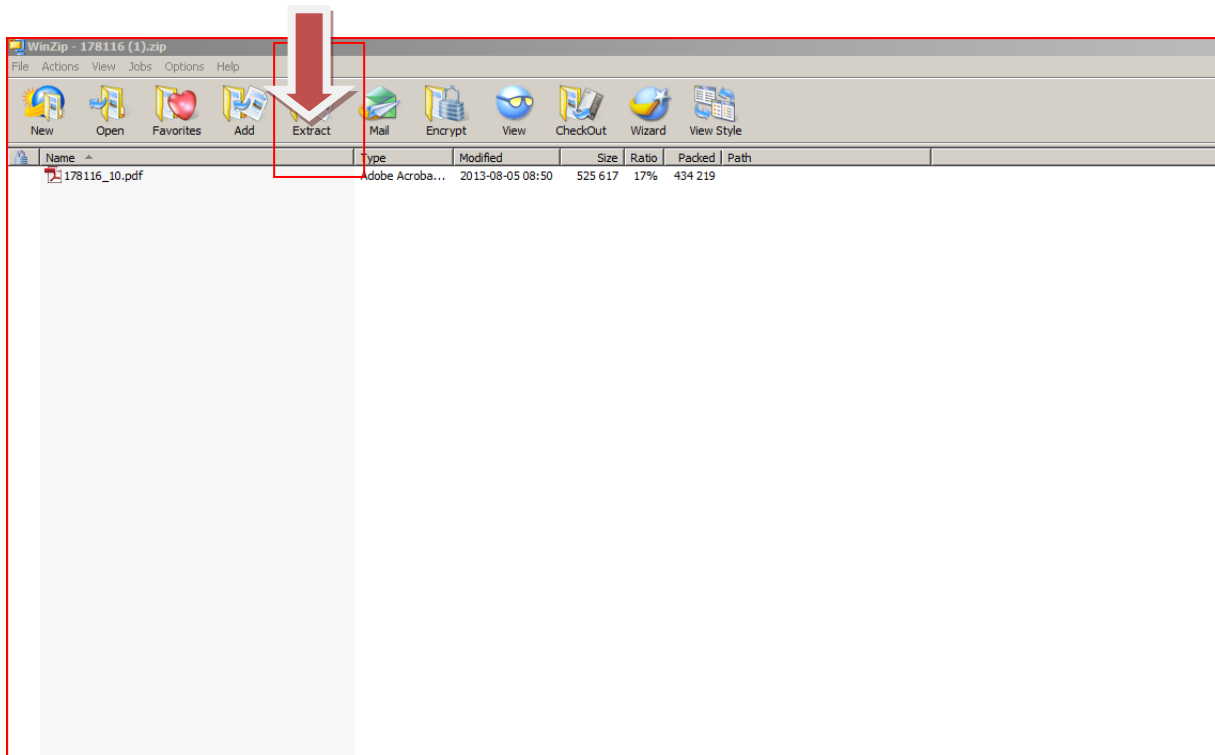

[Log out](#)

Once you have logged in, you will reach this page. Here are details how you download the report. Here is also stated the last date of retrieving the report. Click **Download report**.

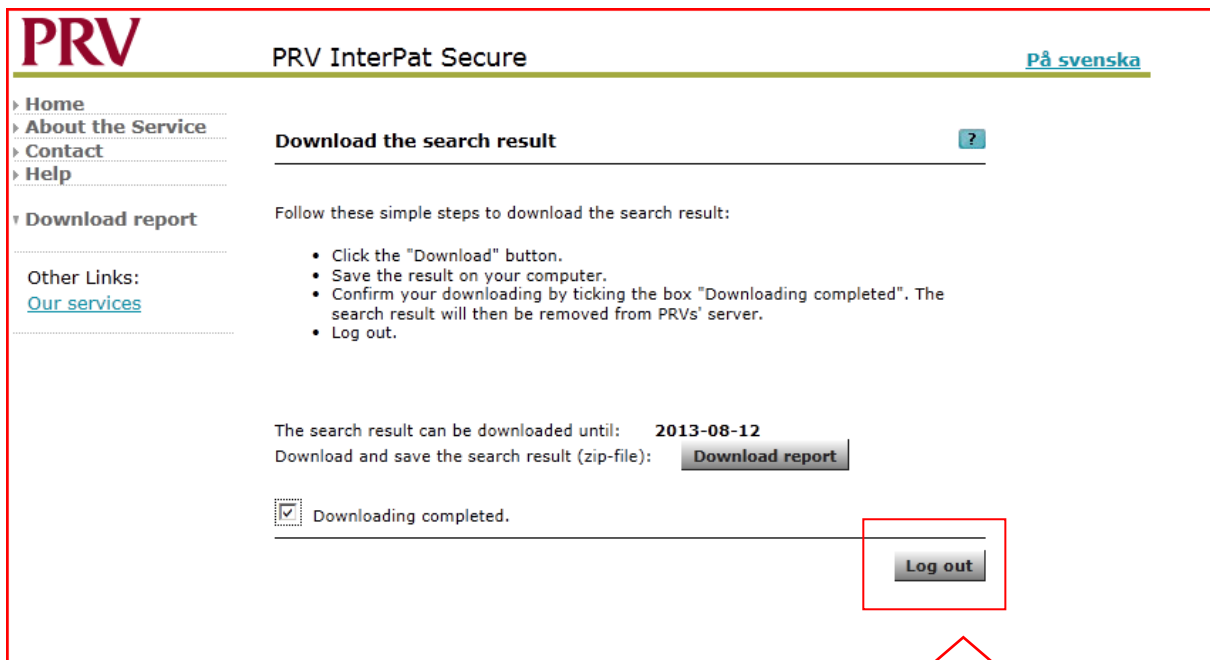

The report is delivered as a zip file. The zip file contains a pdf file and a folder with patent documents. The zip file may also contain a word file and / or an excel file depending on whether you have made the choices when ordering the search.

Save the report in an appropriate place.

After the report is retrieved you get a question if you would like to open the folder. Click Yes and select the file and then click **Extract** or equivalent.

Now the report and the folder with the documents are stored on your hard drive and ready to use.

Once you have downloaded the report and everything is completed, do not forget to log out!
