News in version 3.0

- Address book
- Subsequent actions: Request - Pay by deposit account
- Submit signatures and send – button

Address book

- Accessible via icon in the left-hand menu 
- Can add entries manually, import via a csv template, or import from the Parties section of National filings.
- Entries can be imported to the Parties section of National Swedish patent applications, EP validation or SPC, but at least the two first letters of company name or First name need to be entered.

- Not compatible with PCT forms, EP1001, or Subsequent actions.

Request - Pay by deposit account

- Subsequent action Request - Pay by deposit account is the action for paying fees for National patent applications, EP validation and SPC by deposit account.
- Late fees for annual fees and other fees can be indicated, by using the Late fee toggle.

Fees selection						
Code	Type of fee	Late fee	Fee	Quantity	Surcharge	Subtotal
☐ 000	Other fee, see Notices	☐	SEK 0.00		0%	SEK 0.00
☒ 203	3rd renewal fee SE (1st -3rd year), granted patent	☒	SEK 1,600.00	1	20%	SEK 1,920.00

- Quantities for fees such as *Patent claims above 10* and *Search fee for additional inventions* can now be adjusted by up and down buttons in the row for the fee.

☒ 232	Supplementary fee for patent claims per claims above 10	☐	SEK 150.00	3	↑ ↓	0%	SEK 450.00
☒ 233	Search fee for additional inventions	☐	SEK 2,500.00	2	↑ ↓	0%	SEK 5,000.00

Submit signatures and send - button

- New option after adding a signature

- Signs and sends the submission in one step, without returning to the dashboard in between.
- Time saver when the Signer and Sender is the same person.
- Risk for premature sending when the Signer and Sender are supposed to be different persons. If the Signer is not going to Send the submission, the button Sign and close should be used instead.
